Centennial Families,

I hope that you are all safe, healthy and doing well.

As the end of the school year approaches, we will be arranging for drop off of school items. These drop offs will happen on Friday, June 19.

All drop offs will be done curbside. This means that, at your scheduled time, one person will leave the vehicle, do the drop off of items, and return to the vehicle before the next person's turn. There will be no lineups as there were with locker clean out as no one will be entering the school. More specific details will be given in the individual emails you receive with appointment times.

There are two different plans for drop off of items, based on the grades your children are in.

## **Students in Grades 9, 10 and 11**

These students will only be returning musical instruments and cameras that have been borrowed. You will receive an email outlining the drop off time and procedures that must be followed to keep everyone safe and healthy. Students in grade 9, 10, and 11 will not be returning anything else at this time. Borrowed chrome books, textbooks and library books that have not been returned can be kept until the fall.

## **Students in Grade 12**

Graduating students will be returning all school materials (all books, borrowed computers, musical instruments, uniforms etc.) You will receive an email outlining the drop off time and procedures that must be followed to keep everyone safe and healthy.

Thank you for your patience and support as we try to navigate these difficult circumstances.

Please email me with any questions or concerns.
