

October, 2022

To Our Community Partners,

Welland Centennial Secondary School is a high school that offers many programs including French Immersion, English as a Second Language, Arts, and Technology. We are located in Welland, Ontario with students from Welland, Port Colborne, Wainfleet, and Fort Erie. We are currently preparing for our First Annual Holiday Market taking place Thursday, November 24, 2022 from 5-9pm; an event proposed and organized by Grade 12 student, Ireland Worrall.

We are reaching out to local businesses to ask for their support in assisting us to raise funds for our new Art and Entrepreneurship Club, and to continue this market in future years. The club and market are open to all students at Centennial.

Donation examples include; an item sold by your business, a gift certificate to be used at your business for your product, food, or services, or a monetary donation. To show appreciation for your business, we will be advertising your business in various ways, including; a verbal shout out at the event, visual advertisement on our school televisions and social media during the month of December, advertising on our school website, and verbal recognition for donating on our school announcements.

Your donation can significantly contribute to the success of our market. All donations are to be given by **November 15, 2022** so we will be able to organize. Please contact us at [lori.thibault@dsbn.org](mailto:lori.thibault@dsbn.org) to arrange for donations. We thank you for your time and consideration, we hope you will be able to support us and our students. Please feel free to contact us at any time with questions or concerns.

*Sincerely,*

Tammy Zonneveld, Principal
