Warning:

Downhill skiing/snowboarding, like many other sports, contains inherent risks including, but not limited to, the Risk of Personal Injury, including catastrophic injury or death, or equipment or property damage.

The risk of sustaining these types of injuries result from the nature of the activity and can occur without any fault of either the student or the school board, its employees/agents, or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that you/your child may be injured. The chance of an injury occurring can be reduced by carefully always following the instructions while engaged in the activity. If you choose to participate in the Ski/Snowboard Club for the 2026 ski season, you must understand that **you bear the responsibility** for any injury that may occur. The DSBN **does not** provide accidental death, disability, dismemberment, or medical expense insurance on behalf of students participating in this activity.

PLEASE READ THE FOLLOWING

I, we, the caregiver(s) or legal guardian(s) of _____, have read the above. I/we understand that in participating in the activity described above, I/we are assuming the risks associated with doing so.

.....
I/we acknowledge that, though lessons from qualified instructors from Blue Mountain are a part of progressively developing skills, it is the student who must make the effort to attend these lessons at our set time. As a result, lesson participation is encouraged but is not enforced. Students are then encouraged to remain on ski hills consistent with their level of ski.

.....
I/we hereby release the DSBN and its staff and agents from any liability for any injury sustained regardless of how caused, resulting from participation in the Ski/Snowboard Club arranged through Centennial Secondary School on behalf of the DSBN. I/we further agree to indemnify and save harmless the DSBN and its staff and agents from any and all suits, demands, torts, and actions of any kind which may be brought against its staff or agents for which it/they may become liable by reason of any injury, loss, damage, or death resulting from, or occasioned to, or suffered by any person or any property, by reason of any act, neglect or default of time.

.....
I, (we), grant APPROVAL for my child to travel with the Club by Coach bus to and from Blue Mountain.

.....
Blue Mountain has a Ski Patrol that will attend to students and minor injuries. They will assess the student and make recommendations for next steps. A Centennial Advisor will contact the parent/guardian when this occurs. If the advisor is unable to reach me (us) or no one responds at the Emergency Number provided, I (we) authorize the Centennial Staff Advisor to act on my behalf in a **Medical Emergency** by supervising them to the hospital until the parent/guardian is able to arrive.
