## DSBN STUDENT

Welcome to Welland Centennial's Grade 8 Open House!

If you are a DSBN student unsure of whether you live in Welland Centennial's boundary, but you wish to attend Centennial, please follow the steps below:

### STEP 1

Go to <https://www.dsbn.org/findaschool/> to determine if you are living in Welland Centennial's boundary.

#### STEP 2 – YOU LIVE IN CENTENNIAL'S BOUNDARY

- You are currently attending a DSBN elementary school that is not one of Centennial's feeder schools but live within Centennial's boundary – go to step 3.

#### STEP 2 – YOU *DO NOT* LIVE IN CENTENNIAL'S BOUNDARY

- Notify your elementary school that you would like an *Alternate School Request* form. Once you have received this form you will be responsible for completing and submitting the form to your principal. Completing the form does not necessarily mean that you will be approved; there is an Alternate School approval process which involves various administrative members including the Superintendent. You will receive notification once the Alternate School Request process has been completed.

### STEP 3

Scan this QR code to select your courses. While it may be uncertain as to whether you will be joining us, selecting your courses at this time will speed up the registration process for you in the future and will give you the best chances of getting the classes you want.
