Elective Courses - You get 2 choices

The process for adjusting your alternates is the same as adjusting your electives.

Note that if you have a specific course in the Alternates section, you cannot add it to your electives. If you want to move it to become your elective choice you must first remove it from the Alternates section.

Choosing Courses for Your Grade

How can I tell if a course is Grade 9 or 10?

Here is an example of Drama, which can be taken in any grade.

The first 3 characters identify the course
ADA=Drama

The 4th character identifies the grade.

1-Grade 9

2-Grade 10

3-Grade 11

4-Grade 12

Ensure that the courses you pick are all "1", by filtering to Grade 9 electives.

+	[ADA3M1]	ADA3M1 - Drama
