COMPLETING SHSM

To complete an SHSM, students need to:

- complete a specific bundle of 8-10 courses in the student's selected field
- earn industry certifications like first aid and CPR qualifications
- gain on-the-job skills through cooperative education placements

COMPLETING SHSM

When students complete an SHSM, they will get:

- a high school diploma with an embossed SHSM seal
- an SHSM record that has details of credit bundle, certifications, placements and other experiences
- formal recognition on their Ontario Student Transcript

COOP

It is a **MUST** that you take a coop in between Grade 11 and Graduation.

- you will need a two section coop
- coop is **allowed** to be taken in the summer at your summer job
- it's an amazing way to get work experience prior to entering that field.
